

**ALASKA BOARD OF GAME
Statewide Regulations, Cycle B
Anchorage, Alaska
January 13 – 18, 2012**

Index of Advisory Committee Comments Submitted On Time

This index of on-time advisory committee and public comments shows either support or opposition to the individual proposals at this meeting. The center column indicates a comment was made without clear indication of support or opposition. The full comment may be found in the Board meeting workbook (RC 2.)

Support	Comment	Oppose
	14. Close nonresident trapping seasons for certain species.	
	18. Clarify when a violation has occurred concerning incidental take by trappers.	
	19. Close nonresident fur animal hunting seasons for certain species.	
Central Peninsula AC18		Homer AC11 Cooper Landing AC19
Central Peninsula AC18		Homer AC11 Cooper Landing AC19
	37. Amend the current predation management plan for the Southern Alaska Peninsula caribou herd in Unit 9.
